RE: Atlantis Eyecare Front & Back Office Staff

To Whom It May Concern:

I am writing an additional letter to express my appreciation for the efficiency and productivity of your entire staff. As a Business Consultant for many years, I am well aware of a well-run company with good management. While waiting to see Dr. Ahmad, it was quite clear, everyone in the front were doing a very efficient job and at the same time being helpful, caring and friendly.

Dr Ahmad's technician, Maria Ancheta is very capable, knowledgeable, experienced, kind and considerate. She does her job with care and concern.

I had the opportunity to have appointments in Huntington Beach, Bella Terra and the Long Beach office. Each of the offices I visited were all just as efficient and well managed

In any Business, the employees are what make the company successful.
JOB WELL DONE! BY ALL!

Sincerely,

Jean Williams
